Small Group #3

Hey families! we are so excited for our D-now! Before we get there, we wanted to make sure you had all the most up-to-date information.

What is DNOW?

DNOW is a weekend retreat where small groups of students meet in the homes of our church members for studies in discipleship. The studies are led by trained adult leaders with the goal of beginning or strengthening the ongoing process of discipleship in each student's life. DNOW features concentrated Bible study with an emphasis on discipleship, fellowship, recreation, and evangelism – and it supports the ongoing ministry of the local church; it doesn't attempt to take its place. One of DNOW's strongest points is the way it draws upon, and unites the entire church through using people to contact students, serve on help-teams, provide meals, host groups in their homes, and pray for students. In short, DNOW weekends are successful not just because of catchy-theme or magnetic leaders, but because of committed people who support the endeavor!
